## STAFF REPORT

Board Meeting Date: June 16, 2015

CM/ACM \_\_\_\_\_  
Budget AK  
Legal \_\_\_\_\_  
Comptroller NA  
HR NA

**DATE:** June 8, 2015  
**TO:** Board of County Commissioners  
**FROM:** Al Rogers, Management Services Director  
Phone: (775) 328-2017, E-mail: [arogers@washoecounty.us](mailto:arogers@washoecounty.us)  
**SUBJECT:** Accept a surplus used fire apparatus, one (1) 1995 Freightliner Type I Engine VIN# IFV6HLCBXS656164 in "as is" condition (estimated Value \$20,000) from the Truckee Meadows Fire Protection District to Washoe County to be utilized by the Red Rock Volunteer Department. (Commission District 5)

### SUMMARY

Truckee Meadows Fire Protection District (TMFPD) offers the donation of a surplus used fire apparatus, one (1) 1995 Freightliner Type I Engine VIN# IFV6HLCBXS656164 in "as is" condition to Washoe County for use in providing Fire and EMS response to the Red Rock and surrounding area.

**Strategic Objective supported by this item:** *Regional Collaboration*

**Strategic Outcome supported by this item:** *Expand formal and informal partnerships among governmental and non-governmental entities that improve service and/or increase efficiency, or reduce cost.*

### PREVIOUS ACTION

In the past the Board of County Commission has taken action to accept donations from various agencies.

### BACKGROUND

Washoe County has identified a need for a Type 1 Fire Engine to replace an outdated Type 1 Engine to serve the Red Rock and surrounding areas. The existing Type one engine located at the Red Rock Volunteer Fire Station has excessive miles on it and is difficult for staff to operate due to its manual transmission. Given the TMFPD's working relationship with the Washoe County, staff is of the opinion that donation of this surplus piece of fire apparatus is in the best interest of providing enhanced service to the communities.

### FISCAL IMPACT

At this time, there is no fiscal impact; however, the engine being replaced will eventually be set for surplus at auction.

**RECOMMENDATION**

It is recommended that the Board accept a surplus used fire apparatus, one (1) 1995 Freightliner Type I Engine VIN# IFV6HLCBXML656164 in "as is" condition (estimated value \$20,000) from the Truckee Meadows Fire Protection District to Washoe County to be utilized by the Red Rock Volunteer Department.

**POSSIBLE MOTION**

Should the Board agree with staff's recommendation, a possible motion would be:

*I move to Board accept a surplus used fire apparatus, one (1) 1995 Freightliner Type I Engine VIN# IFV6HLCBXML656164 in "as is" condition (estimated value \$20,000) from the Truckee Meadows Fire Protection District to Washoe County to be utilized by the Red Rock Volunteer Department."*
